

French Group 1

French Group 1 meet weekly on Tuesday, from 9.30am until 11am, at varying houses of group members. Our aim is to improve our spoken French, and enjoy ourselves!

The group is currently at maximum capacity (9 members), so unfortunately we have no vacancies.

The group is "committee" led but Eileen Quinn is the primary contact person.

As both French speaking groups are full, contact the Groups Coordinator if you are interested in starting a new group.
