

Philosophy

The group meet twice monthly on a Monday between 2pm and 4pm at the Free Church Hall on Chapel Hill. Please contact the group leader before coming along as the group is fairly full at the moment.

What is Philosophy? According to the Oxford English Dictionary it is “The study of the fundamental nature of knowledge, reality, and existence, especially when considered as an academic discipline.”

What have we done so far? We have been studying philosophy for around 4 years now and in that time we have studied the lives and beliefs of individual philosophers, we have followed some on-line courses, for example the Philosophy of Science and the Philosophy of the Mind, and we have discussed lots of philosophical questions.

What are we doing now? We are currently following an on-line lecture series on Political Philosophy which runs from Socrates, via Machiavelli right up to the more modern era, interspersed occasionally with individual sessions led by group members.
