

Stansted U3A Singers

The singers meet every Tuesday afternoon at the OSCA Hall in Henham from 1.30pm to 3pm. Our numbers vary between 25 and 30, and **new members are always welcome**. We sing for fun, led by our choirmaster Isobel. No experience is necessary and there is no audition. You will never be asked to sing a solo, unless of course you are keen to do so.

We sing a mix of songs from pop classics, through Show music and some classical and choral, so something for everyone,

We occasionally sing in Retirement Homes and perform 2 or 3 concerts a year and, after the first time nerves, everyone always really enjoys singing at them, but it is not compulsory!

Choir singing is a very joyful thing and it really lifts the spirits. Some of our choir members have found it a great lift to their spirits at stressful times.
