

# STANSTED MOUNTFITCHET STRUMMERS

The Ukulele Group of Stansted Mountfitchet U3A

The Group was established in October 2015. It is tutored by Keef Jackman and meets at the Crafton Green Day Centre on Mondays from 13 00 to 15 00.

Full sessions are held fortnightly but some members choose to meet weekly.

The Terms are normally 7 fortnightly and 14 weekly sessions.

Fees are £4 per session and payable in advance at the start of each Term: September to December; January to March; April to July.

At present there are 24 players but we always welcome new members. Previous experience is not essential nor is an ability to read music. Ukuleles are available to try before any decision to join. Just come along and enjoy!!
